

Head of the Class Ltd Image consent form

Head of the Class' use

- Occasionally, we take photographs of the children participating in activities at our centre. We may use these images in our centre prospectus or in other printed publications that we produce, in displays, for marketing, on our website & social media sites.
- We may also make video or webcam recordings for conferences, monitoring or other educational use.

Publications' use

- We may also send images to the news media, or our centre may be visited by the media who will take their own photographs or film footage (for example, of a visiting dignitary or other high profile event). Pupils will often appear in these images.
- The images may be used in printed publications (including local or national newspapers), on televised news programmes or on their website. They then store them in their archive.
- They may also syndicate the photos to other media outlets for possible use, either in printed publications, on websites, or both.
- When we submit photographs and information to the media, we have no control on when, where, if or how they will be used. Therefore, if you only wish for Head of the Class to only be authorised to use these images, please ensure you tick the relevant box on the next page.

To comply with the Data Protection Act 1998, we need your permission before we can photograph or make any recordings of you/your child/ren.
